

## **ENVIRONMENT POLICY FOR ORGANISATION**

We at Sonata understand the importance of keeping our organization's environment clean & friendly. For this we inculcate the habit of living in clean, pollution free, non hazardous & nature friendly environment.

As a matter of above policy & principle we do take special care in: -

- 1) Keeping our offices & surrounding clean
- 2) Disposing off garbage/waste at outskirts.
- 3) Providing pure & clean drinking water, saving water.
- 4) Ban on usage of Tobacco, cigarettes, Alcohol, etc.
- 5) Minimum use of Conventional form of electricity & thus Saving electricity
- 6) Minimum use of conventional fuel & Save fuel
- 7) Minimize use of paper (avoid paper wastage)
- 8) Use re-cycle able materials (avoid polythene...)
- 9) And other ways to conserve & make the organizational atmosphere & environment nature friendly.

For effective implementation of above we inculcate a positive spirit of competition among our staff / Branches/Units/RO. We make our staff aware of keeping the organizational environment clean & healthier so that it grooms us both mentally & physically thus contributing to society & organization as a whole.
